

Matters of the Timetable for Students enrolled in 2025

When any other changes than the followings about time schedule occur, they will be notified on the Message Board of LMS.

■ Courses NOT offered in 2025 academic year

Following course will NOT be offered in 2025 academic year.

(Courses offered in odd-numbered academic year only)

Programs	Schedule code	Course name	Programs	Schedule code	Course name
Master's	RA00004	Elasto-Plastic Analysis of Structure	Doctoral	WAT0003	Advanced Elasto-Plastic Analysis of Structure
	RA00006	Structural Design of Spatial Structures		WAT0005	Advanced Structural Design of Spatial Structures
	RA00010	Theory of District Energy Conservation System Planning		WAT0009	Advanced Theory of District Energy Conservation System Planning
	RA00014	Theory and History of European Architecture and Modern Architecture		WAT0013	Advanced Theory of Urban Built Environment Planning
	RA00026	Japanese and Oriental Fine Arts		WAT0017	Advanced Theory and History of European Architecture and Modern Architecture
	RA00035	Limit Analysis of Building Structures		WAT0021	Advanced Limit Analysis of Building Structures
	RA00036	Numerical Analysis of Thermal Environment			
	RA00037	Theory of Urban Regeneration			
	RB00023	Urban water circulation			
	RB00024	International Infrastructure Project Study			
	RB00034	Design of Concrete Composite Structure			
	RB00225	Development Anthropology: Theory and Practice			
	RB00231	Study on Development Cooperation 2			
	RC00062	Developing Policy and Alternatives			
	RI00001	Environment and Development			

(Other than above)

Programs	Schedule code	Course name	Programs	Schedule code	Course name
Master's	RB00008	Environmental processes in inland and coastal waters	Doctoral	WAT0107	Advanced Theory of environmental processes in inland and coastal waters
	RB00211	Asian Social Studies		WAT0304	Advanced Seminar Work on Asian Society and Economics
	RB00212	Public Policy A		WAT0323	Special Seminar on International Development Studies
	RC00055	Regional and Cross-Cultural Studies			
	RI00905	Introduction to Networks			
	RB00226	Development Policy and Planning Social Development: Theory and Practice			
	RB00227	Political Methodology			
	RB00232	Study on Politics			
	RB00233	Study on International Politics			

■ Courses offered in odd-numbered academic year only

Following courses will be offered in 2025 academic year but not in 2026.

Programs	Schedule code	Course name	Programs	Schedule code	Course name
Master's	RA00005	Dynamic behavior of building structures	Doctoral	WAT0004	Advanced Dynamic behavior of building structures
	RA00008	Ecological Design Method for Architectural Environment		WAT0007	Advanced Ecological Design Method for Architectural Environment
	RA00013	Approaches for Extending the Life of Built Environment		WAT0012	Advanced Theory of Architectural History and Preservation in Japan
	RA00015	Advanced Theory of Architectural History and Preservation in Japan		WAT0014	Advanced Theory of Architectural Design
	RA00017	Modern Art Theory		WAT0015	Advanced Theory of Urban Design
	RA00019	Theory of Urban Design		WAT0016	Advanced Theory of Approaches for Extending the Life of Built Environment
	RA00025	Foundation Engineering		WAT0018	Advanced Planning Theory of Sustainable Housing and Communities
	RA00033	Planning Theory of Sustainable Housing and Communities		WAT0019	Advanced Theory of Urban Planning for Disaster Risk Reduction
	RA00034	Theory of Urban Planning for Disaster Risk Reduction			
	RB00036	Theory of Foundation Design			
	RB00230	Study on Development Cooperation 1			
	RC00063	Gender and Development: Theory and Practice			
	RI00017	Economic Development
