

Matters of the Timetable for Students who enrolled before 2025

When any other changes than the followings about time schedule occur, they will be notified on Message Board of LMS.

■ Courses NOT offered in 2026 academic year

Following course will NOT be offered in 2026 academic year.

(Courses offered in odd-numbered academic year only)

Programs	Schedule code	Course name	Programs	Schedule code	Course name
Master's	RA00005	Dynamic behavior of building structures	Doctoral	WAT0004	Advanced Dynamic behavior of building structures
	RA00008	Ecological Design Method for Architectural Environment		WAT0007	Advanced Ecological Design Method for Architectural Environment
	RA00013	Approaches for Extending the Life of Built Environment		WAT0012	Advanced Theory of Architectural History and Preservation in Japan
	RA00015	Advanced Theory of Architectural History and Preservation in Japan		WAT0014	Advanced Theory of Architectural Design
	RA00017	Modern Art Theory		WAT0015	Advanced Theory of Urban Design
	RA00019	Theory of Urban Design		WAT0016	Advanced Theory of Approaches for Extending the Life of Built Environment
	RA00025	Foundation Engineering		WAT0018	Advanced Planning Theory of Sustainable Housing and Communities
	RA00033	Planning Theory of Sustainable Housing and Communities		WAT0019	Advanced Theory of Urban Planning for Disaster Risk Reduction
	RA00034	Theory of Urban Planning for Disaster Risk Reduction			
	RB00036	Theory of Foundation Design			
	RB00222	Social and Cultural Philosophy			
	RB00226	Development Policy and Planning Social Development: Theory and Practice			
	RB00230	Study on Development Cooperation 1			
	RC00063 RC00057	Gender and Development: Theory and Practice International aid policy debate(*1)			
	RI00017	Economic Development			

(* 1).....For students enrolled in 2024 academic year and before

(Other than above)

Programs	Schedule code	Course name	Programs	Schedule code	Course name
Master's	RB00030	Theory of Steel Structure Design	Doctoral	WAT0120	Advanced Theory of Steel Structure Design
				WAT0323 WAT0313	Special Seminar on International Development Studies Advanced Theory of International Development(*1)

■ Courses offered in even-numbered academic year only

Following courses will be offered in 2026 academic year but not in 2027.

Programs	Schedule code	Course name	Programs	Schedule code	Course name
Master's	RA00004	Elasto-Plastic Analysis of Structure	Doctoral	WAT0003	Advanced Elasto-Plastic Analysis of Structure
	RA00006	Structural Design of Spatial Structures		WAT0005	Advanced Structural Design of Spatial Structures
	RA00010	Theory of District Energy Conservation System Planning		WAT0009	Advanced Theory of District Energy Conservation System Planning
	RA00014	Theory and History of European Architecture and Modern Architecture		WAT0013	Advanced Theory of Urban Built Environment Planning
	RA00018	Theory of Urban Built Environment Planning		WAT0017	Advanced Theory and History of European Architecture and Modern Architecture
	RA00026	Japanese and Oriental Fine Arts		WAT0020	Advanced Limit Analysis of Building Structures
	RA00035	Limit Analysis of Building Structures		WAT0021	Advanced Numerical Analysis of Thermal Environment
	RA00036	Numerical Analysis of Thermal Environment		WAT0022	Advanced Theory of Urban Regeneration
	RA00037	Theory of Urban Regeneration			
	RB00023	Urban Water Circulation			
	RB00029	Infrastructure Disaster Prevention			
	RB00034	Design of Concrete Composite Structure			
	RB00213	Public Policy B			
	RB00225	Development Anthropology: Theory and Practice			
	RB00227	Political Methodology			
	RB00231	Study on Development Cooperation 2			
	RC00062	Developing Policy and Alternatives			
	RI00001	Environment and Development
