

Matters of the Timetable for Students who enrolled before 2020

When any other changes than the followings about time schedule occur, they will be notified on Message Board of LMS.

■ New courses open in 2021 academic year

Programs	Schedule code	Course name	Year	Credits	
Doctoral	WAT0315	Advanced theory of contemporary society and culture	1~3	2	Advanced courses
	WAT0316	Advanced Theory of Inter-Cultural Communication	1~3	2	Advanced courses

■ Courses NOT offered in 2021 academic year

Following course will NOT be offered in 2021 academic year.

(Courses offered in even-numbered academic year only)

Programs	Schedule code	Course name	Programs	Schedule code	Course name
Master's	RA00004	Elasto-Plastic Analysis of Structure	Doctoral	WAT0003	Advanced Elasto-Plastic Analysis of Structure
	RA00006	Structural Design of Spatial Structures		WAT0005	Advanced Structural Design of Spatial Structures
	RA00010	Theory of District Energy Conservation System Planning		WAT0009	Advanced Theory of District Energy Conservation System Planning
	RA00011	Environment-Behaviour Study		WAT0010	Advanced Study of Environment-Behaviour
	RA00014	Theory and History of European Architecture and Modern Architecture		WAT0013	Advanced Theory of Urban Built Environment Planning
	RA00018	Theory of Urban Built Environment Planning		WAT0017	Advanced Theory and History of European Architecture and Modern Architecture
	RA00026	Japanese and Oriental Fine Arts			
	RB00023	Urban water circulation			
	RB00024	International Infrastructure Project Study			
	RB00209	Global City Theories			
	RB00213	Public Policy B			
	RI00001	Environment and Development			

(Other than above)

Programs	Schedule code	Course name	Programs	Schedule code	Course name
Master's	RA00212	Sound Culture	Doctoral	WAT0101	Advanced Theory of Infrastructure Safety Design
	RA00214	Workshop of Urban Art & Culture F		WAT0107	Advanced Theory of environmental processes in inland and coastal waters
	RA00219	Sound Cultural Studies		WAT0306	Advanced Theory of Urban Policy
	RB00001	Theory for infrastructure safety design			
	RB00008	Environmental processes in inland and coastal waters			
	RC00005	Theory for infrastructure safety design			
	RI00019	Theory for Infrastructure Safety Design			
	RPSJ211	Sound Space Studio S			
	RPSJ212	Sound Space Studio F			
	RPSJ237	Sound Cultural Studies Studio S			
	RPSJ238	Sound Cultural Studies Studio F			

■ Courses offered in odd-numbered academic year only

Following courses will be offered in 2021 academic year but not in 2022.

Programs	Schedule code	Course name	Programs	Schedule code	Course name	
Master's	RA00005	Dynamic behavior of building structures	Doctoral	WAT0004	Advanced Dynamic behavior of building structures	
	RA00008	Ecological Design Method for Architectural Environment		WAT0007	Advanced Ecological Design Method for Architectural Environment	
	RA00009	Theory of Regional and Urban Environmental Management		WAT0008	Advanced Theory of Regional and Urban Environmental Planning	
	RA00013	Approaches for Extending the Life of Built Environment		WAT0011	Advanced Planning Theory of Sustainable Housing and Communities	
	RA00015	Advanced Theory of Architectural History and Preservation in Japan		WAT0012	Advanced Theory of Architectural History and Preservation in Japan	
	RA00017	Modern Art Theory		WAT0014	Advanced Theory of Architectural Design	
	RA00019	Theory of Urban Design		WAT0015	Advanced Theory of Urban Design	
	RA00025	Foundation Engineering		WAT0016	Advanced Theory of Approaches for Extending the Life of Built Environment	
	RA00033	Planning Theory of Sustainable Housing and Communities		WAT0018	Advanced Planning Theory of Sustainable Housing and Communities	
	RA00034	Theory of Urban Planning for Disaster Risk Reduction		WAT0019	Advanced Theory of Urban Planning for Disaster Risk Reduction	
	RB00021	Geo-environmental Engineering				
	RI00017	Economic Development
